

The International Satellite Symposium SHR 2020

The International Satellite Symposium SHR 2020 welcomes abstract submissions from clinicians, scientists, academics and students. This meeting will take place on 28th May 2020 immediately before the ESH/ISH 2020 Glasgow Conference at the BHF Glasgow Cardiovascular Research Centre, Institute of Cardiovascular and Medical Sciences. The Symposium will take place in the heart of the University of Glasgow, which is one of the oldest Universities in Europe. Please see the campus map for reference regarding the location.

The Symposium will include several plenary presentations from keynote speakers in areas outlined below, as well as abstract oral and poster presentations that will be selected by the Scientific Committee of the Satellite Symposium.

A social gathering with “wine and cheese” will be organized to facilitate scientific thought exchange and poster discussions after the oral presentations session, to which all participants will be warmly welcome.

Abstract and presentation topics of particular interest include:

- Genetics in Hypertension
- Inflammation and Immunity in Hypertension
- Target Organ Damage in Hypertension
- Sympathetic Nervous Activity and Vasoactive Substances in Hypertension

but are not limited to the subject areas listed above and may involve research related to human hypertension or hypertension models.

Abstract Submission Guidelines:

1. Abstracts should be submitted to the main ESH/ISH Conference via the submission website <https://www.hypertension2020.org>. These abstracts will be considered for presentation at the ESH/ISH 2020 Glasgow Conference. If accepted for presentation at Glasgow 2020 ESH/ISH Conference, authors interested in participating in the International Satellite Symposium SHR 2020 are requested to forward their abstract by email to ShrGlasgow2020@gmail.com . All submissions should be in .pdf or .doc format.
2. When preparing the abstract, please follow the rules described at <https://www.hypertension2020.org>.
3. The deadline for abstract submission to ESH/ISH 2020 Glasgow is **29th November 2019**. The deadline for submission of accepted presentations to The International ISH/ESH Satellite Symposium SHR 2020 is **1st April 2020**.

4. Participation in the International Satellite Symposium SHR 2020 will not incur any additional costs but registrants will be required to be registered to the main ESH/ISH 2020 Glasgow Conference
5. Scientific Committee of The International Satellite Symposium SHR 2020 will select presentations for oral and poster presentations from submitted abstracts. Authors should indicate their preference for the type of presentation.
6. Investigators who are planning to attend ISH but will not be submitting an abstract are of course welcome to attend the SHR symposium. More details regarding the room location and the specific time of the SHR symposium scheduled for the afternoon of May 28 will be provided at a later date.
